

## Ahms Tah Ow School

A new program for *non-graduated* individuals, aged 16 to 75 who are looking to complete their secondary/high school diploma (BC Dogwood or Adult Dogwood Diploma).

Ahms Tah Ow is a partnership between School District 47 and Tla'amin Nation. The goal of the program is to offer a flexible environment that enables working individuals the opportunity to reach their educational goals without the restraints of a classroom environment or schedule.

Students are able to take a full range of high school courses to achieve their dogwood as well as a select range of post-secondary courses. Ahms Tah Ow School offers students a direct connection to both complete high school and prepare for or begin post-secondary studies, including dual credit trades programs. Curriculum costs for high school courses are free. Curriculum is delivered in a self-paced format using paper-based curriculum. Students also have access to one-on-one support for curriculum as well as for career planning.
