

# Welcome to Ahimsa Jah Ow School!

---

*Here are a few things you need to know to help you be successful:*

- **Courses:** a variety of courses are available, but all students start with one at a time. This is to help you get into the swing of things, to organize yourself and to have a successful start. Your teacher will plan with you when you can start a second course.

We will take time to plan with you the best course choices for your goals.

- **Attendance:** is open Tuesday to Thursday 3:30 pm to 6:30 pm.
- Time in school can be adjusted to fit work schedules and other demands (please have ongoing conversations about this with Louise Dominick, but the general expectation is that students will attend at least 1 day per week.
- **Text Books:** Students will be provided with a text book as soon as possible. For many courses, students will be provided with photocopied material that will get you started on the course.

- **Contact:** Please call or text the school 604-483-9646 or (604-578-8299
