

# Governance House Update

Although the Shelter-in-Place is lifted, the government office will remain closed to the public for now, which also prohibits the use of Nation buildings (includes Salish Centre) until further notice.

Starting on Monday, phone reception at the office will be manned from 8:30 to noon, and 1:00 to 4:30.

There will be no public access at this time, nor any in person meetings or appointments.

It is important to share Tla'amin updates on our Facebook page and our website [tlaaminnation.com](http://tlaaminnation.com) with your families, as there will be no home notice delivery until further notice.

We thank you for your patience. We WILL get through this!
