

**Tla'amin Government is instating a mandatory curfew from 9pm to 6am effective immediately until further notice.**

Tla'amin Nation is still under a Provincial Order for a mandatory lockdown while we conduct contact tracing.

**Shelter in place means you do not:**

- leave your house to check the mail
- go for a walk around the community or hike the trails
- swim down the beach or Sliammon Lake
- use the bins for your garbage

**Please share this important notice and contact your family that may not have access to Facebook.**
