I/We also authorize Tla'amin Nation to make inquiries necessary to process this application.

I/We understand that accommodation availability is subject to placement on a waiting list and that the Nation does not provide emergency shelter, nor can the Nation accommodate urgent referrals from other agencies.

Applications will be kept on file until the January 1st after submission. After one year, or January 1, the applicant must submit a new application in order to maintain his or her position on the master waiting list. A new application is required in order to keep the Nation advised of changing circumstances of applicants.
